ANNOUNCEMENT

May 14, 2008 – Decorah, Iowa

New Drive-Thru Construction Begins

Decorah Bank & Trust Company will be constructing a drive-thru center at its main office at 202 East Water Street that will be completed this summer. The drive-thru will replace the current downtown drive-thru located at the bank's former location at 115 Washington Street.

Ultimately, moving the drive-thru means overhead costs will be reduced by owning less real estate. The bank has entered into an agreement to sell the building that houses the current drive-thru on Washington Street to Decorah Covenant Church.

Notices will be posted at the current drive-thru for 30 days prior to the relocation to inform regular users of the drive-thru of the upcoming change.
